

Vakkeuse Gr 9 vir 2023

Let op die volgende:

1. Die skool het 'n oop vakkeuse, dit wil sê 'n leerling kan enige vakke in kombinasie kies solank dit in die rooster inpas. Die uitsonderings word hier onder bespreek.
2. Tegniese studierigting: Moet Tegniese Wiskunde, Tegniese Wetenskap en IGO saam met Siviele/Meganiese Tegnologie-vakke neem.(Mag ook suiwer Wisk of Fisiese Wetenskap neem)
3. Mag nie altwee Tegniese-vakke saam neem nie.
4. Leerder wat 'n Tegniese vak wil neem sonder Wisk/Wetenskap moet Landbou-Tegnologie as vak neem.
5. Leerders wat Ingeneurswese wil studeer: Wisk, Fisiese Wetenskap, IGO en enige ander Universiteitsvak.
6. Mag Landbou-Tegnologie en Landbou-Bestuur as kombinasie neem.
7. Om Wiskunde te neem moet 'n leerling bo 50% in die vak in Gr 9 behaal.
8. Om Alpha Wiskunde te neem moet 'n leerling bo 70% in Wiskunde behaal(alleenlik as 'n 8ste vak).
9. Leerlinge wat 'n 8ste vak wil neem moet goedkeuring van die vakonderwyser kry om die vak te neem. Klasse sal naskool wees en sal dus nie op die leerder se rooster verskyn nie.

Subjects Choice Gr 9 for 2022

Take note of the following:

1. The school use an open time table that implies that a learner can choose any combinations of subject, if it can be accommodated in the time table. There are some exception and these will be discussed in the next paragraphs.
2. Technical studies: Technical Maths, Technical Sciences and EDG must be taken in combination with Civil/Mechanical Technology (can also take pure Maths and Physical Sciences)
3. Learners are not allowed to choose both Technology subjects.
4. It is not allowed to choose Physical Sciences without Mathematics.
5. In Technical Subjects only Agricultural Technology can be taken without Maths.
6. Studies in Engineering: Mathematics, Physical Sciences, EGD and any University exemption subject.
7. Agricultural Technology and Agricultural Management can be taken in combination.
8. Needs 50% for Maths in Gr 9 to take Maths in gr 10.
9. Needs 70% for Maths to take Alpha Maths (only as an 8th subject).
10. Learners are welcome to choose more than 7 subject but must get permission from the subject teacher. An 8th subject will not be shown on the time table and learners must arrange with the subject teacher for class after hours.
